Honorable Charles W. Dent

Note: Important. Candidates selected for one of the Service Academies receive an outstanding and costly education at the expense of the Federal Government. Graduates are required to serve a minimum of five (5) years on active duty after graduation. In making nominations, I am most anxious to select individuals who are sincerely motivated to become professional officers in the Armed Forces. For this reason, I ask every applicant to sign the statement below:

CERTIFICATE

I, _____, a candidate for nomination to one of the United States Service Academies, do hereby certify that my application is motivated primarily by a desire to serve my country as a professional officer. It is my intention, if I receive an appointment, to graduate from the Academy. I make this pledge in good conscience.
